

The European Qualifications Framework in Latvia

Riga
27 April 2011

Carlo Scatoli

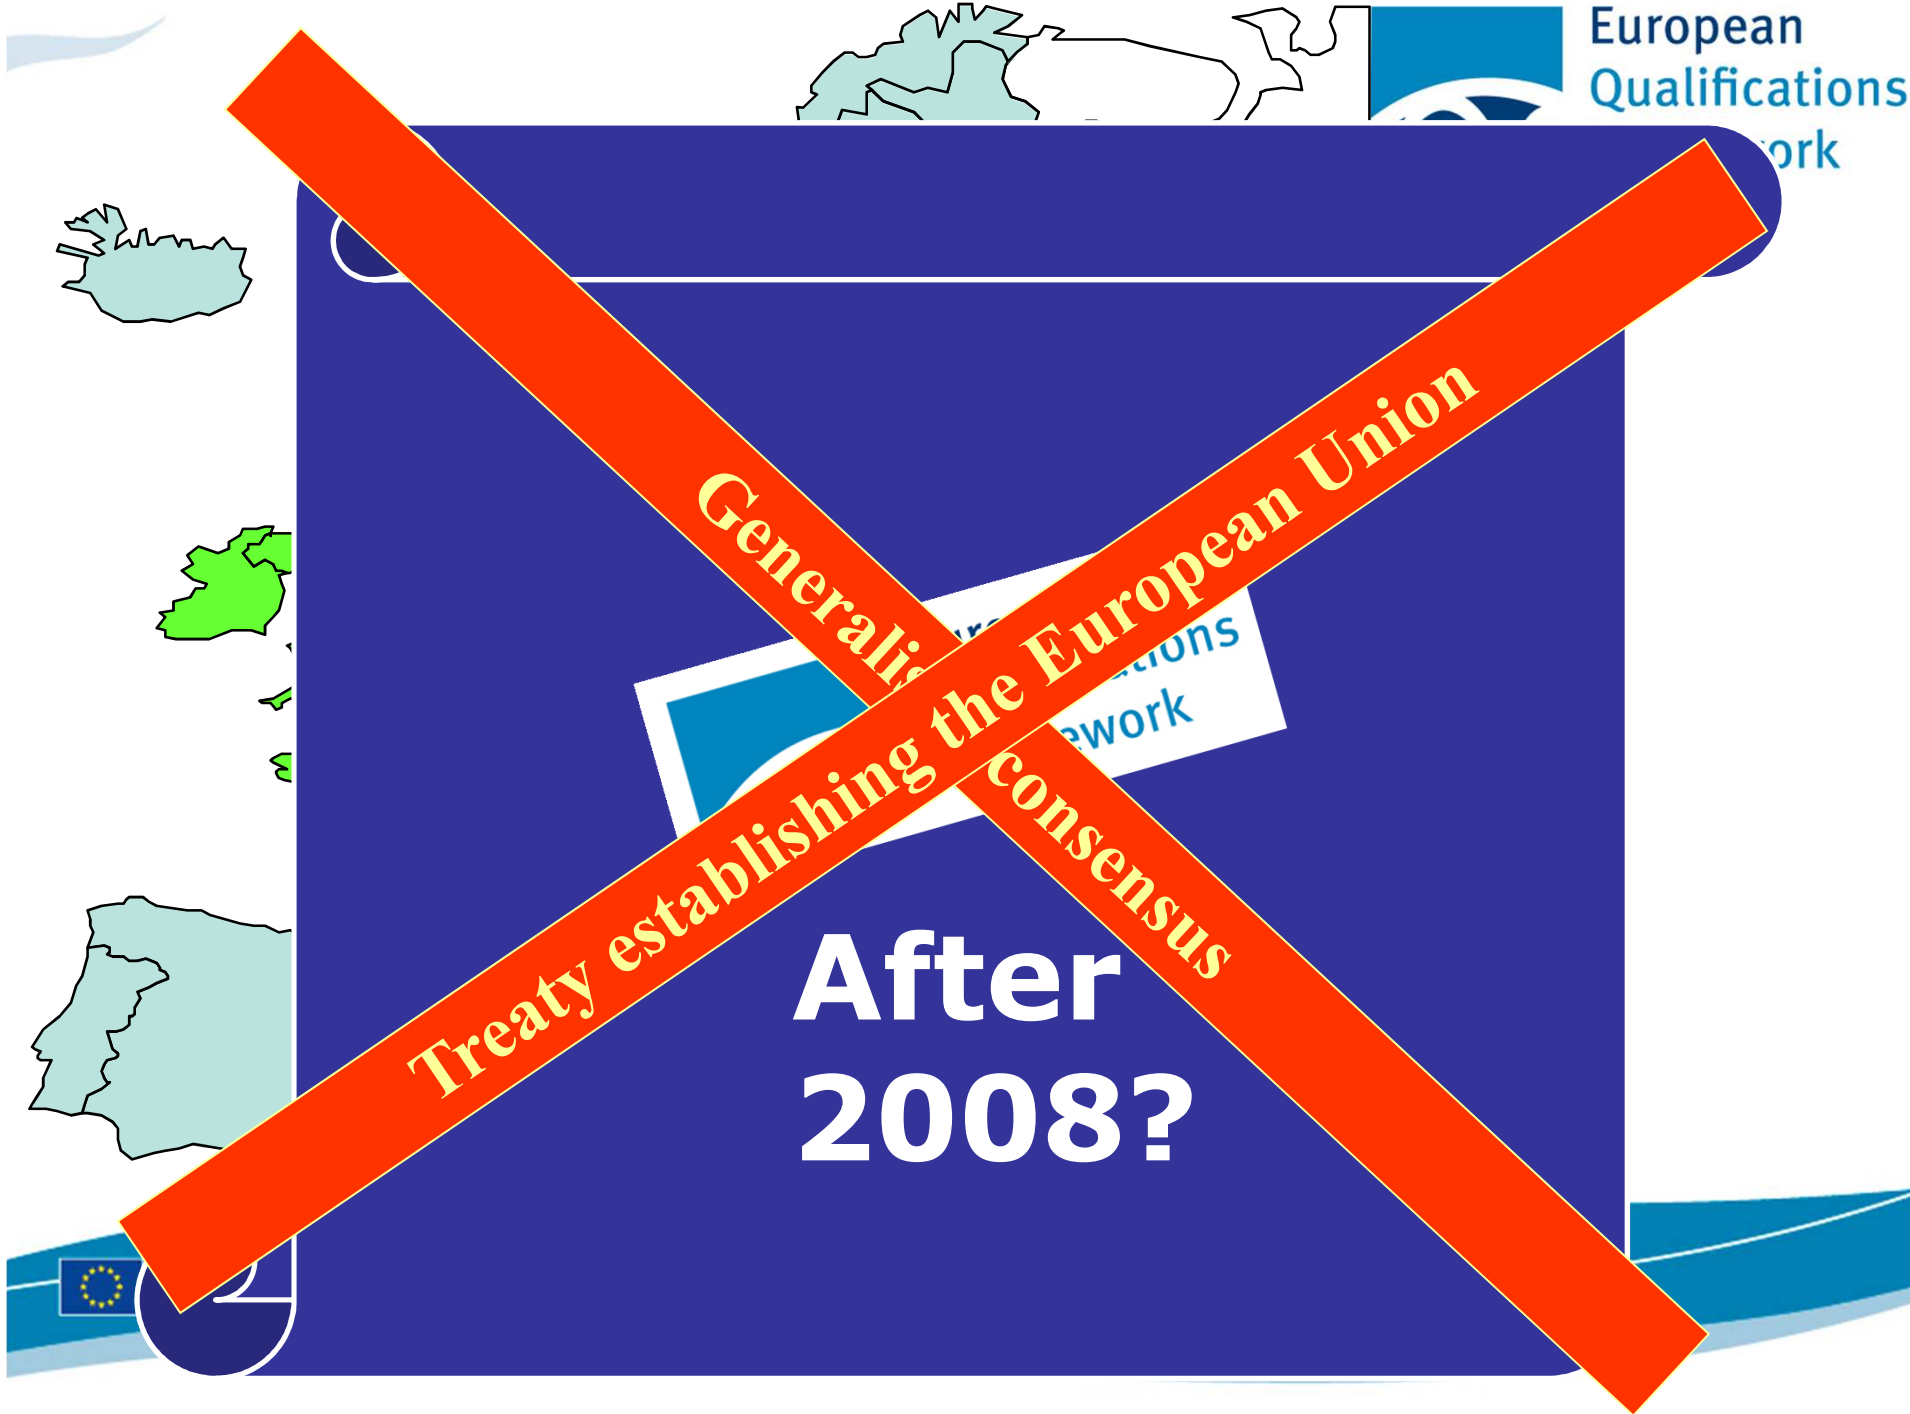

DG Education and Culture

**Until
2008
4 NQF
in
EU-EEA**

**Generalising the European Union
Treaty establishing the European Union
consensus**

**After
2008?**

**EQF is a transnational
meta-framework
for lifelong learning
based on
learning outcomes**

**to which
quality assured NQF
are referenced
following agreed criteria
for mutual trust.**

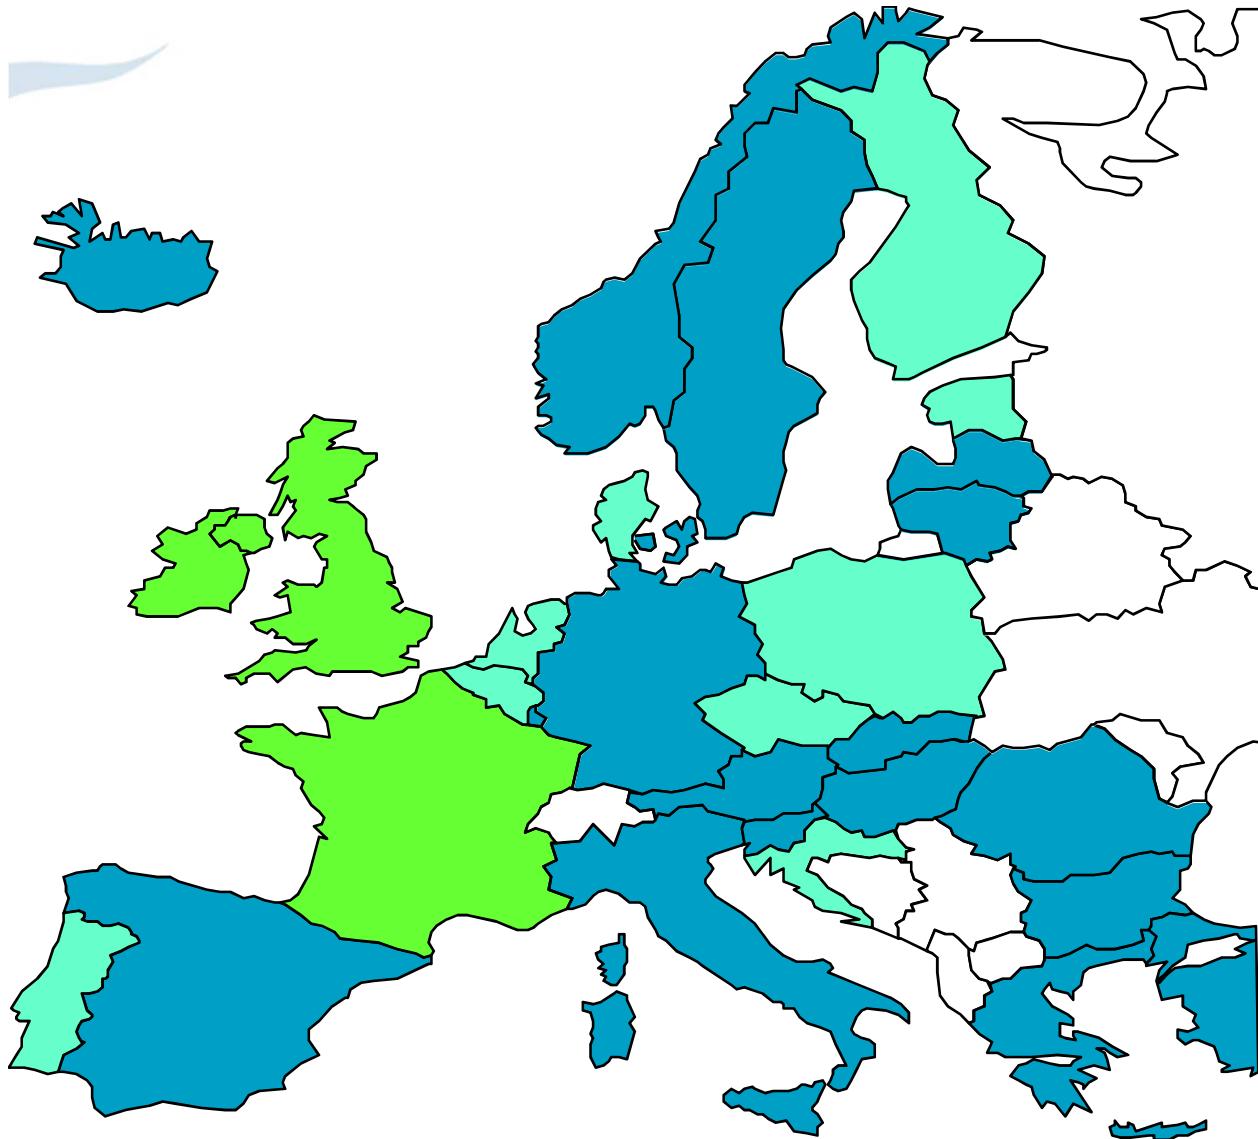

European
Qualifications
Framework

By 2010

By 2011

By 2012

QF EHEA has wider participation, including all EUR-32 EQF countries

EQF covers all levels, including the QF EHEA cycles

Coordinated implementation at European level and increasing operational convergence at national level

Thank you for your attention
